Support Yee Hong & Momiji

Yee Hong and Momiji are pleased to partner together in organizing the 2025 Yee Hong-Momiji Golf Classic. This year's tournament will honour the memory of Sid Ikeda, who with Dr. Joseph Wong, forged the agreement more than 20 years ago to house 25 residents of Japanese ancestry in the Yee Hong Scarborough-Finch building on Scottfield Dr.

Your support will make the 29th Yee Hong Golf Classic, in partnership with Momiji, a worthwhile fundraiser to help improve and expand Yee Hong and Momiji's services to meet the growing and changing demands of the aging population.

In November 2023, Yee Hong marked a historic moment with the ground-breaking of its fifth long-term care residence, the Yee Hong Ng Siu Chan Centre. The Scarborough Finch campus has since been transformed from a green field into a vibrant construction site. The new residence has now reached its fourth floor and is on track to be topped off in early 2025, with project completion expected by spring 2026. The Centre will add 224 beds to Yee Hong's long-term care capacity and offer a state-of-the-art facility to benefit thousands of seniors and their families for years to come.

Momiji Seniors Residence is an assisted living centre for independent seniors of primarily Japanese Canadian heritage.

Momiji is located at 3555 Kingston Road, near the intersection of Markham Road and Kingston Road in southeast Scarborough. Since opening in 1992, Momiji has been home to close to 400 tenants who have remained independent an average of 10 years longer than any other supportive housing facility in Ontario. This is significant given the strained availability of long-term care home beds and the financial challenges of our health care system.

Yee Hong-Momiji Golf Classic

Enjoy a round at the Yee Hong-Momiji Golf Classic, and help support our seniors!
The 29th Yee Hong Golf Classic, in partnership with Momiji, will be held on Tuesday, May 13 at Station Creek Golf Club in Gormley.

Originally opened in 1972 and renovated in 2002-2004 by Paul Takahashi, Station Creek is an easy-walking parkland course known for mature forests, rolling terrain, its modern practice range and quiet ambience.

Refurbished at a cost of \$12 million, Station Creek delivers natural beauty and up-to-date features such as large tee decks, dramatic bunkering, and green complexes that are both challenging and beautiful. The beguiling 18th on the South Course is one of the most demanding finishing holes in the ClubLink family.
